DEATHS

John Cain

died at the home of his sister, Mrs. Samuel Sailor, near Fairville, Monday, Oct. 28, at 11 p. m., aged 72 years. Mr. Cain had been afflicted for six years with asthma, dropsy and a complication of ailments and during all these years his sister patiently and gladly ministered to his needs. His wife preceded him in death. His remains were laid to rest in Mt. Horeb cemetery, Rev. Tom Varde-man conducting the last sad rites. He is said to have been a good man and much liked.

J. V. Harrison

a former Marshall citizen, died at the home of his daughter in Kansas City early Monday morning. His remains were brought to Marshall Tuesday afternoon and laid to rest in Ridge Park cemetery.

Mary Belle Hamner

the 13-year-old daughter of Mrs. L. J. Hamner, of Miami, died Sunday morning of blood poisoning, which she contracted several weeks previously through poison oak. Her funeral occurred Monday afternoon.

Mrs. Ann Elizabeth Lacy

died suddenly at her home on South Odell Ave., Tuesday, Nov. 5th, at 8 p. m., of heart failure, aged 74 years and 11 days.

She leaves to mourn her departure four sons and one daughter—Thos. W., Chat, Henry, of this city, D. Lacy, of Alma, and Miss Cordelia Lacy, at home.

The funeral services were held at the residence at 1 p. m. yesterday conducted by Rev. J. Q. Partee, of the Baptist church, after which her remains were laid to rest in Ridge Park cemetery. Mrs. Lacy was a splendid Christian lady and a life-long member of the Baptist church. The large number who attended the last sad rites showed the esteem in which she was held.

Missouri College Union

Missouri Valley College entertained the delegates Friday and Saturday to the fifteenth annual meeting of the Missouri College Union. Among those present were a goodly number of the state's most prominent educators. Dr. W. H. Black, president of the union, presided.

E. church, South, in Springfield, on Tuesday, Wednesday and Thursday, November 19, 20, 21, 1907. The following prominent people will address the convention on most up-to-date topics of especial interest to all Sunday School workers:

City Unions may send ten delegates, County Associations five, and Township Associations three delegates. Names of delegates should be sent at once to Mr. A. A. Mehl, Chairman Entertainment Committee, Springfield, also to the State General Secretary.

Likes Kansas

J. S. Crockett returned last week from a prospecting trip to Kansas. He spent some time with Ed Heisler at Hiawatha, Kansas, and the latter sent us several ears of corn that he raised, which were as fine as any we've seen in Saline. Mr. Crockett was so well pleased with Kansas that he wants to sell his 48 acre farm in the western suburbs of Marshall and go out. We hope he will not succeed—we need good men here.

The Financial Flurry.

In spite of much advice to the contrary there are quite a number of persons who have been drawing their money from the banks in order to be "safe." They couldn't do a more foolish thing or cause a panic in any surer way. The banks make their money by loaning the deposits to reliable borrowers on time and if the banks were all called upon to pay off depositors not one out of ten could do so because there isn't enough money in the country. In case depositors want their money the banks in turn call in their loans as they become due, but it can be easily seen what effect this has on business, as under our financial system every dollar must do the work of ten and if that dollar is stuck away in a tin can it is dead.

The country was never in a more prosperous condition than now, banks were never safer (especially so in Marshall) and there isn't the slightest cause for alarm.

If you have cash on hand, why not meet all your obligations, such as taxes, church and lodge dues, newspapers, and various accounts and then if you have any left let it go into circulation through the banks.

The panic is simply a Wall Street scare, created accidentally or on purpose to fleece the public out of millions by running down stocks and rebuying them when at rock bottom. The West is no longer dependent upon Wall Street and if we refuse to be scared we will not have to be afraid of a "stringency" or panic.

CONGRESS TO FILL GAP.

Too Much Space Between Business and Circulating Mediums.

Washington, Nov. 3—A new currency bill will be introduced in the coming congress to correct the evils that are responsible for the recent flurry. So declared Senator Elkins, of West Virginia, one of the Republican leaders in congress, after a long talk with the president. The senator did not say the president would back the bill, but intimated that it would have strong backing from the dominant side of the house.

"We need a more elastic currency," said Senator Elkins. "The whole trouble is that the business of the country has increased faster than the supply of money. You might say that the business has increased 30 per cent and money 5. That leaves a gap of 25 per cent to be filled by credit—or by confidence, which is credit—and now that confidence has been shaken to a certain extent, the gap is open."

Schieszer-Woodsmall

Mottie Schieszer, of Hardeman, and Miss Sallie Woodsmall, of Napton, were married in this city by Justice Hiram Ferrili Wednesday at 1 p. m. Mrs. J. W. Woodsmall, Misses Florence Schieszer and Hattie Woodsmall, Lon and Joe Schieszer were present at the ceremony. The young couple are both prominently connected and we hope they will abundantly realize on the bright prospects in view for them. They will reside on the old Schieszer farm at Hardeman.
